

**Request for Qualifications
for
Professional Services**

Date: March 7, 2019

**FORT THOMAS TREATMENT PLANT BASIN IMPROVEMENTS – PHASE 2
EVALUATION, DESIGN, AND CONSTRUCTION PHASE SERVICES**

The Northern Kentucky Water District is requesting qualification statements for professional services related to the evaluation, design, and construction phase services required to rehabilitate two uncovered concrete basins housing flocculation and sedimentation basins, improve the rapid mix process feeding these two basins, and the replacement of chemical feed discharge piping within the Sodium Hypochlorite building at the Fort Thomas Treatment Plant.

STATEMENT OF QUALIFICATIONS WILL BE RECEIVED AT:

Northern Kentucky Water District (OWNER)
2835 Crescent Springs Road
P.O. Box 18640
Erlanger, Kentucky 41018

UNTIL: Date: March 28, 2019
Time: 2:00 p.m. local time

The purpose of this Request for Qualifications is to solicit qualifications for these services and to identify a shortlist of firms to receive a Request for Proposal. The selected firm will be offered a contract with possible extensions for future phases.

Copies of the Request for Qualifications may be obtained from the District's office at the address indicated herein or by contacting Denise Manning at (859) 426-2718. There is no charge for these documents.

Each submitted response will be reviewed and rated by a Selection Advisory Committee and a recommendation will be made to the District's Board. The District reserves the right to reject any or all responses. Minority firms are encouraged to respond.

Amy Kramer, V.P. Engineering, Production & Distribution
