NKWD – 2011 AquaVenture Experience Field Trip *Water District Hosts Students from Tichenor Middle School*

Erlanger, KY – The Northern Kentucky Water District (NKWD) welcomed some 170 eighth grade students and teachers from Tichenor Middle School to their 2011 AquaVenture Experience Field Trip Event on March 29, 2011. AquaVenture teaches students how their water gets from the river to the tap. The students visited NKWD as part of Tichenor's Aquatic Adventures Academy program to study human impact on water.
